Notes on Lucy Ann Blundell [Plummer]

Sarah Anne Plummer

Lucy was the youngest of six children of Anne Beare and Peter Plummer. Peter was a convict (highway robbery no less) of Berkshire, born c.1817, died 1857 in Cooma.

One child Eliza died before Lucy was born.

A son George died of Diphtheria in 1861.

Anne was married to George Blewitt at the time and had a daughter Charlotte. George died in 1860. Anne then married Patrick Licedy and they had a son, Francis (later changed his name to Lysight and then Lysaght).

John Plummer died around 1930.

Peter, eldest son died in 1910.

Sarah married Thomas McCauley (born Ireland) in Victoria, they had 4 children there, two died and they moved to Queanbeyan to be near her family.

Another six children were born.. all survived to adulthood.

Anne parents were John Beare (publican or farmer) and Eliza possibly Maynard or possibly Peace or Pierce. Having trouble finding them. Some say Anne was born in Co. Cork, Ireland, but on Lucy's birth certificate Anne says she was born in Birmingham UK.

I think Maria Blundell married Arthur Searle in 1921.

There are a couple of families searching for Lucy on Ancestry.com. And Joanne Wilkins is searching Blundell, Her mother was a daughter of Henry Joseph Blundell.
